Salvage Week Results Good Mayor Claims

Although final figures of the recently completed Salvation Army Salvage campaign have not yet been totaled, Mayor J. Hugh Sherrey, general chairman of the campaign, declared yesterday that the results will be gratifying.

Mayor Sherrey said he was deeply appreciative of the cooperation of committee members and the public's response to the effort. "It is through these donations of no-longer-needed items of clothing, shoes, furniture and household appliances, that the Salvation Army can continue its program of rehabilitation," the Mayor said.

Although the drive is over, unwanted items can still be turned in by calling 1356, A Red Shield truck will call at the door of any home or office in the Torrance area.

Hearing Set For Redondo School Deal

A public hearing on the proposed resignation of Redondo Union High School District as the South Bay Union High School District has been set by the Board of Supervisors for Tuesday, May 3, at 10 a.m.

The hearing will be held in the meeting room of the Supervisors in the Hall of Records.

A petition from residents of the South Bay area has been filed with County Superintendent C. C. Trillingham urging the change of name for Redondo Union High School District.

FEATHERED ODDITY . . . "Butch," Siamese Mynah bird, talked like a man, sang like a bird, and whistled like a wolf for the enjoyment of Torrance High School students last Tuesday. Mrs. and Mr. Jack Owen, the bird's trainers, staged the show for the double performance.—Herald Photo.

And Now A . . . Talking Bird With A Hollywood Wolf Call

In this day and age we thought we had seen about everything and heard nearly everything!

But now it's talking birds—no less.

Four of them, all natural born hams, but well trained actors, held their audience of Torrance high school students and faculty members in awe at an assembly presented Tuesday in the school auditorium.

Trained and presented by Mr. and Mrs. Jack Owen, the four Mynah birds give forth with "wolf calls," singing, running the scale, playing catch, and carrying on a conversation.

It has taken the Owen's some seven months to train the birds which are bred only in Siam. They are the only animals born with a human throat. This was the first public performance of the show.

Moose Lodge Elects New Officers

Cecil W. Smith, service station owner and one-time candidate for the City Council, was recently elected Governor of the Torrance Lodge, No. 785, Loyal Order of Moose.

Other officers are Dan Desmond, junior governor; Frank Bell, prelate; Charles Shiffer, trustee; Paul Smith, trustee; Durward D. Palmer, treasurer; Alvin K. Hill, junior past governor; F. A. Dobson, secretary.

Installation of officers, which is open to the public, will be held in the civic auditorium April 30 at 8 p.m.

Dancing will follow the ceremonies.

TAKING OFFENSE

Board OKs Plan For Alondra Park Country Club

The Board of Supervisors last week gave its okay to a motion which will result in the establishment of an Alondra Park Country Club.

On a motion of Supervisor Raymond V. Darby, the board gave its nod to an experimental plan for providing country club facilities on publicly owned golf courses.

In urging approval, Darby stated that if the project develops successfully, the county has other areas which could undergo similar improvement.

At the end of 20 years, the improvements installed at Alondra Park by private capital will revert to the ownership of the county.

FILLERS PROPER SIGNALS

That man behind you may not be a mind reader. The motorist who fails to warn others of his turns and stops by giving proper arm signals in a clear and unmistakable way is displaying a sad lack of both common courtesy and common sense.
